SPECIFICATIONS

FEATURES

- 12W constant power output enables even illumination in emergency operation with no light degradation
- Two-wire universal AC input
- 10°-50°C (50°C-122°F) ambient rating
- 9.6V 3000mAh LiFePO4 battery
- Meets or exceeds UL 924, NEC, and OSHA standards
- 2-year limited warranty

Input Voltage	120-277V AC, 50/60 Hz
Input Rating	7W max
Output Voltage	10-60V DC
Output Current	1.2A at 10 V DC - 0.2A at 60 V DC
Output Power	12W
Emergency Operation	90 minutes
Shipping Weight	5 LBS
